## *Tapas Bar Functions*

### *The Reservation*

*Manhattans Tapas Bar is available every day or night, for cocktail style functions of different sizes. For open functions (anything less than 80 guests), you are able to reserve couches, tables, seating and standing area in an allocated area (depending on other reservations on the night,) while the bar is open to other people. We require confirmed number of guests for all reservations. No minimum spend per person or hire charge applies. For private functions, we require a minimum spend of \$22.50 per person for Tapas. All details for any function and group pre-orders need to be received preferably by email 3 days prior to the reservation. We will need to know the type of function, confirmed numbers, time of arrival, details of bar tab if required, menu selection and any seating preference (we do our best to accommodate however it will depend on other reservations as well). The more details you can give us the better, so our staff can ensure you have a fabulous evening.*

## *The Atmosphere*

*We love to hold parties at QManhattans, and know that creating a great atmosphere can be the special touch on a great evening. We approve of decorating tables with balloons, or other decorations for the tables, and also really enjoy themed reservations, so if you want to have a dress up party, go for it! Let us know, and the staff may even join you! Hen's parties love our cocktails, especially during Happy Hours. We ask that Hen's parties be discreet with their decorations, and remember this is QManhattans, and there are other guests in the room, enjoying the venue with you. We play an eclectic mix of modern background tunes. If you'd like to bring a cake & candles, please let us know, and we can arrange space in a fridge. (please note we don't have freezer space for ice cream cakes) The staff will bring out your cake when you're ready.*

## *The Rules*

*QManhattans holds a Restaurant Liquor License, therefore children under 18 years of age are permitted at private functions. As the owners, we prefer not to permit guests under the age of 18 in the Tapas Bar whilst it is open to the public, in an effort to maintain an adult environment for our guests. Our license includes our street side dining area until 11pm, and the license finishes at 12am, and 2am on New Year's Eve. QManhattans strongly supports the responsible serving of alcohol, and reserves the right to refuse service & remove any guests deemed intoxicated, or close the bar early in the case of guests mistreating our venue. We do not hold a BYO license. Any person found with alcohol not purchased from us, will be asked to leave immediately. We offer the option of a licensed security guard for private functions, at an additional cost of \$250 for 9pm to 12am.*

## *The Account*

*As we are a small, family owned and operated business, we do not have an accounts department, and do not have the resources to run accounts for corporate reservations. All accounts must be finalised in full by the completion of your reservation with Q Manhattans Staff. We accept Cash, Eftpos, Mastercard, Visa, Amex or Business Cheque. If you require a tax invoice, please ask for it at time of payment, as we are unable to reprint receipts afterwards.*
